

2018 ONALASKA 4th OF JULY ANNUAL FIREWORKS FUNDRAISING EVENT

The City of Onalaska is starting its fundraising for the 2018 Fourth of July Annual Fireworks Show. Area businesses are being asked again to contribute to this exciting event for the enjoyment of our community and surrounding area residents. We have set a fundraising goal of \$12,000 and would like to reach this goal as soon as possible.

The Fireworks show has always been sponsored by donations. The money used to host the event comes from donations from individuals, organizations and businesses. All donations are tax deductible.

We are asking everyone in our community to help us fundraise for this event. When you support the fireworks fund, you are supporting an event that honors the sacrifices veterans have made; the freedom enjoyed by all Americans and the pride shared among our citizens that ensures our community spirit remains strong.

If you would like to help, please make your checks out to:
